 to appropriate said waters, and that granting thereof would impair the  
 value of existing rights and be detrimental to the public welfare.

The amount of water to be appropriated shall be limited to the amount  
 which can be applied to beneficial use, and not to exceed  
 cubic feet per second.

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or  
 before

Proof of completion of work shall be filed before

Application of water to beneficial use shall be made on or before

Proof of the application of water to beneficial  
 use must be filed with State Engineer on or before
